

Can you see the **bigger picture?**

Does your patient get support from a young carer at home?
More than 6,000 young people in Gloucestershire are supporting
someone in their family who has long-term illness, mental ill health
or who is a victim of substance misuse.

Are you aware of the bigger caring picture around your patients?

Supporting the "YOUNG" in young carer

Call **01452 733060**
today to get your
